

DISTRICT PRICE FIXING COMMITTEE
KILINOCHCHI DISTRICT

DISTRICT PRICE SCHEDULE
SECOND HALF - 2026

DISTRICT SECRETARIAT-KILINOCHCHI
DEPUTY CHIEF SECRETARY - ENGINEERING SERVICES NORTHERN PROVINCE.

DISTRICT PRICE SCHEDULE

Construction Materials, Labour, Vehicle Hire Charges and Transport & Handling Charges

Kilinochchi District - Second Half 2026

This schedule is prepared with reference to Home Affairs Circular No. 03/2025 dated 01.09.2025, issued by the Ministry of Public Administration, Provincial Councils and Local Government, particularly Section 2.3 – District Pricing Committee, which provides for the composition and functions of the District Pricing Committee. As per the said circular, the Committee is co-chaired by the Deputy Provincial Chief Secretary (Engineering Services) and the District Secretary, while the District Engineer functions as the Secretary / Convener, with relevant heads of district public institutions or their representatives participating as required.

In accordance with Section 2.3 of the circular, the District Pricing Committee is responsible for preparing and updating prices required for development project estimates, identifying costs relating to production, distribution and other associated activities of goods and services within the district

This document contains the existing and proposed price schedule relating to construction materials, labour, vehicle hire charges, and transport & handling charges for review, discussion and finalization by the Committee. It is intended to facilitate systematic evaluation, comparison and standardization of district rates in accordance with prevailing market conditions, applicable circular provisions and relevant administrative guidelines.

The District Price Schedule serves as an official reference document for estimating, costing, valuation and implementation of construction works within the district. It is also used by government agencies and implementing authorities to ensure uniformity, transparency, consistency and fairness in financial planning, procurement, contract administration and project execution.

Further, this schedule plays an important role in ensuring that public sector estimates and payments are based on fair, realistic and current market rates. It supports effective decision making in public expenditure management and contributes to transparent and accountable implementation of development activities within the Kilinochchi District.

Government Agent / Dist. Secretary
District Secretariat,
Kilinochchi.

Eng. N. Suthakaran
Deputy Chief Secretary - Eng. Service
